BOLO DO CACO

Bolo do Caco was reborn in the streets of Madeira over a century ago, a stone baked bread known as the bread of the people, at Caco we proud to honor that tradition.

ESPETADA

A traditional Portuguese grilling method using large skewers to grill meat or fish on a Charcoal fire at high temperatures. The heat seals the cut allowing it to cook whilst retaining all flavours and juices. It is served in the traditional way in a skewer hanging on your table with a gentle drip of butter.
